Marilyn... what kind of therapist?

## START YOUR ENGINES!

**OR YOUR PACEMAKERS.**  
It's time to get in gear for our 50th, and we've already got some good news on hotel arrangements and other events that will make it the best time we've had together in 50 years. Or ever.

### Big Three Day Weekend!

Right now, it's three big days with a kick-off cocktail party on Friday the 24th. Next, there's a growing list of Saturday events as we cruise into Harley-Davidson's Rumble Room.

Sunday the 26th seems to be getting organized as well. Lots of things to do – and, most of all, you'll see people you haven't seen in 50 years. Catch up. Trade memories. Or apologize.

Next issue, we'll tell you how things are coming together.

### The Missing 97...

Calling all classmates! Let's track down The Missing 97!!

**GRAB YOUR WALLETS!**  
We've started the party fund and, as you may have noticed, we've outgrown fries and a Coke at "The Milk." Or have we?

Incidentally, "The Milk" was indeed one of the models for Arnold's in *Happy Days*.\*

**Steve Harvey** and **Larry Liss** are now offering exceptional investment opportunities to all classmates. (Hey, we hope you don't have the same investment help the WFB School Board had. Did you hear that one?)

### It's The Steve Harvey Wallbanger Club!

Our Founder.

We're going to rock this town, so it's time we got the party fund together. Turn the page. Find out more...

## GREAT HOTEL DEALS!

IT'LL BE A GREAT WEEKEND, and even if you were planning on being up all night, you'll probably want a place for your toothbrush. Or your teeth.

**Barbara Balkansky Goldberg** has evaluated travel deals for the weekend and become our Class Travel Agent (Thanks, Barb).

She's obtained special rates for a number of Milwaukee hotels. The information is on the next page. Some you'll have to call, others have a web address.

If that doesn't work, we'll give you Class Web Queen **Sandi Picker Park's** home phone number (just kidding, Sandi).

Most Likely to Go Online?

First Class Travel Agent?

\***The Milky Way Drive-In**, located on Port Washington Road in the North Shore suburb of Glendale, Wisconsin, now Kopp's Frozen Custard Stand, was the inspiration for the original Arnold's Drive-In; it has since been demolished. (From the Wikipedia entry on Happy Days.) That's cool, but it does make us wonder. Who was the model for The Fonz?
